Mohit Kumar

Delhi, India | +91-9472941443 | mohit.model1@gmail.com

Professional Summary

Results-driven **Software Developer** with strong expertise in **MERN stack development** and hands-on experience building scalable web applications. Skilled in designing responsive UIs, developing RESTful APIs, and managing databases with MongoDB and SQLite. Adept at problem-solving, writing clean code, and implementing modern development practices. Seeking to contribute technical skills and creativity to innovative projects at top tech companies.

Technical Skills

Frontend:	React.js, Next.js, Tailwind CSS, Bootstrap, HTML, CSS
Backend:	Node.js, Express.js, Python, SQLite, MongoDB
Programming Languages:	JavaScript, Python
Other Skills:	Data Structures & Algorithms, RESTful APIs, Git & Version Control, Figma, Agile/Scrum

Projects

GitHub Popular Repos Clone – MERN Stack

Built a full-stack web app replicating GitHub repository listing. Developed RESTful APIs with Express.js & Node.js. Used MongoDB for data persistence and optimized schema for performance.

Facebook Clone – MERN Stack

Created a social networking clone with authentication and CRUD operations. Implemented user data, product inventory & order management using MongoDB. Integrated React Hooks (useState, useEffect, useContext) for dynamic state handling.

App Store & Gallery App – React.js

Designed responsive single-page apps with dynamic rendering and clean UI. Implemented reusable components and optimized rendering performance.

Money Manager App – React.js

Developed a financial tracking tool to add/delete transactions with live balance updates.

IPL Dashboard App & Password Manager – React.js

Built data-driven dashboards and secure password storage apps.

Other Projects

Appointment App, Jobby App, Login App, Stopwatch, Digital Timer, Emoji Game, Comments App, Match Game, FAQs App, Bloglist

Education

MERN Full Stack Web Development – NxtWave, Hyderabad 2025

B.Sc. – Magadh University 2020

Senior Secondary – Gaya College, Gaya

Certifications

• Full Stack Developer Internship – MERN Full Stack Development

• Core Node.js

Key Achievements

• Built 15+ full-stack projects showcasing end-to-end development skills.

- Strong foundation in DSA, contributing to efficient code and optimized solutions.
- Hands-on expertise in responsive SPAs using React and Tailwind CSS.
